3.4. Preparation, and issuance of audit inquiries to organizations	AMD 20,000 ⁸ + postal costs (if any)	

1. An AMD account shall be mandatory. Meantime, whenever the Client opens simultaneously a different currency account(s), the account shall, in the event of an account opening fee being envisaged, shall be charged for one account alone.

2. In the event of having more than one AMD or more than one foreign currency account, the maintenance fee shall be charged only for one AMD and one foreign currency account. The account maintenance fee shall be charged as a lump sum, per 12-month period.
3. In the event of zero transactions on all the Client accounts for 12 months consecutively, the account shall become non-operational and the Bank shall charge a commission in the amount of AMD 2,500 and shall close the Client's accounts in case of a zero balance thereon. Moreover, once the account becomes non-operational, the maintenance fee specified in 1.2 hereof shall no longer be charged. The settlement of the maintenance fee shall be re-established provided the lien with zero flow is lifted, and the account shall thus become active.
 - 3.1 Moreover, in the event of the insufficiency of the Client's funds for charging the said commission, the Bank shall charge a commission in the amount of the existing balance in the accounts.
 - 3.2 Whenever the existing balance in the accounts is above AMD 2,500, an amount of AMD 2,500 shall be charged, with the monthly fee being AMD 1,000 for the subsequent non-operational period starting in the 13th month. The provisions described in this section are not applicable to Clients using the services provided within the framework of Private Banking.⁴ This tariff shall not be applicable and/or shall be established at AMD 0 in the event of a disruption of the self-service machines belonging to the Bank or inaccessibility of the replenishment services from such machines, as well as in case of branches of the Bank (CSD) not equipped with such services.
5. Standard form references of the Bank imply references on the bank account balance, the absence of an account, credit liabilities and the absence thereof.
6. Non-standard references of the bank imply references other than those specified in 3.3.1 hereof.
7. The interest rates applying to the balance of non-resident Legal Entities' bank account (if any) shall include the non-resident's income tax rate (in cases prescribed by the legislation of the Republic of Armenia).
8. The tariffs include the value-added tax (VAT).
9. The fee is set to 0 AMD only in cases of providing references confirming the absence/closure of accounts.
